

ZYLIA

Zylia develops innovative, world-class recording technologies and turns them into products that improve the lives of musicians and audio creatives. With a passionate and dedicated team of experts in audio research, software, business and product development, the company crafts and delivers products with the potential to redefine and revolutionize the way sound and musical performances are recorded.

Our key product ZYLIA Portable Recording Studio is a one-mic recording system that allows to record a whole 360 audio scene and separate sound sources into independent soundtracks (guitar, violin, vocals, etc.). Our product is an easy-to-use device that is used by musicians, bands, recording studios and sound engineers all around the world. More information about the product can be found at <http://www.zylia.co>
